You and your membership

We offer three levels of membership: Classic, Plus and Premier.

Look for these symbols throughout this handbook. They signify enhanced benefits and service levels for members who have upgraded to Plus or Premier.

See page 42 for a chart that compares the benefits between membership levels.

Upgrading

If you're currently a Classic member, you can apply to upgrade your membership level to Plus or Premier. Associate members must upgrade if the Primary member has already done so. See page 43 for more details.

To upgrade, call us toll free at 800-222-1134 or visit AAA.com/MyAccount. Please note that there's a three-day waiting period after upgrading before you can enjoy the increased roadside assistance benefits.

Enrolling your household

You can't always be there when members of your family have a flat tire or lock their keys in the car. But AAA can.

For a little extra, you can enroll other individuals in your household, such as your spouse and eligible children, as Associate members if they

share your residence. They'll have their own membership cards and be able to call us for roadside assistance whether they're driving or riding in a friend's car. What's more, they'll enjoy all the benefits of AAA Membership — discounts, savings and member-only perks.

Associate membership is available, at a significantly reduced rate, for the Primary member's spouse and one other adult living in the household, and their children living at the same residence or away at school. Associate members must have the same type of membership as their Primary member.

- To sign up other individuals in your household, call us at 800-222-1134, visit your local office or go to AAA.com/MyAccount.

Gift Membership

Gift Memberships are available at your local AAA office, online at AAA.com/Gift, and by calling 866-685-5222. When you give the gift of AAA, your friend or loved one will enjoy nationwide, 24-hour roadside assistance, along with all of the other AAA Benefits. For every gift membership you buy, you'll earn 20 AAA Dollars.

Member referral program

At AAA, we realize that our members are our biggest advocates. That's why our member referral program rewards you with AAA Dollars for friends you refer who join AAA. Call 866-685-5222, visit your local AAA office, or visit AAA.com/Friends for more details or to make a referral.

Renewing your membership

Please note that even though your membership card may reflect a "Valid Thru" date that's more than a year away, it won't be active unless you pay your membership dues annually.

When you receive your annual renewal bill, you can pay online at AAA.com/Payment or pay by phone at 877-44-MY-AAA (877-446-9222). Otherwise, you can mail your renewal payment to the address shown on the bill.

You can also sign up for convenience billing to have your annual dues charged to your credit card each year. With convenience billing, you'll

still receive a statement confirming your renewal.

Prior to the expiration of your membership, you will receive one or more renewal notices. These notices will state the term of your next membership period, the names of the Primary and Associate members, and the total dues to be paid.

To renew your membership, please remit your dues before your current membership expires. If you pay your membership renewal within 30 days after expiration of your current membership term, your renewed membership will expire one year after the current term expires. If you pay your membership renewal more than 30 days after your current term expires, your new term will begin when payment is received and will expire no less than one year from the day payment is received.

Roadside Assistance

Our services

Your AAA Membership entitles you to a comprehensive range of 24-hour prepaid roadside assistance services, so you can be confident that whatever happens, help is close by.

To take advantage of roadside assistance, call the number supplied on your membership card. If traveling outside your local region, you may obtain nationwide roadside assistance by calling 800-AAA-HELP (800-222-4357). Requests for roadside assistance may also be placed via the AAA Mobile app or through our online service at AAA.com/Roadside.

Who's eligible

Upon activation and with proper identification, AAA will provide regular AAA services and full privileges for the new member. Roadside benefits begin three days after payment of dues. Some restrictions apply.

Roadside assistance is provided on any eligible and properly licensed and registered vehicle that you are driving or riding in at the time of disablement, if those services can be safely delivered in compliance with local/county/state laws. You must be with the disabled vehicle at the time of service. This includes Associate members such as spouses or children who have their own membership cards. You will be asked to present your valid AAA Membership Card and photo identification before service is rendered. If your membership card is not available and your membership cannot be verified by AAA, you will be requested to pay for service at the servicing facility's prevailing rate.

In fairness to all members, roadside assistance should not be used as a substitute for proper vehicle maintenance. To help control membership dues, AAA has an annual limit on roadside assistance usage per member (one service call per breakdown). Refer to the chart on page 43 for roadside assistance limits. After the last call in a membership term, we reserve the right to extend an additional entitlement for a fee, which will be collected prior to service being dispatched. Service is not available for an RV after the last call. Towing benefit is restricted to Classic membership level only.

If you discover that you don't need roadside assistance after you have called, please notify us so the call won't be counted against your annual limit if we haven't dispatched assistance. These service limits enable AAA to continue providing reliable, high-quality, cost-effective roadside assistance.

Services provided

Battery jump-start/boost

In most metropolitan areas, we will test your battery and charging system on-scene with our testing equipment and, if appropriate based on the test results, offer to install a new AAA battery on-site or arrange for replacement at a later time at your convenience. The diagnostic test is free and we offer a 72-month limited warranty with 36 months free replacement. Our batteries meet and/or exceed the vehicle's original specifications and our battery prices are competitive. Members also receive a \$25 discount (off retail pricing). AAA Battery Service is only available in select areas during select hours. AAA batteries are available for most makes and models, and some vehicles may require additional installation fees. If battery service is unavailable, we will provide a battery boost when safe to do so or offer towing.

Battery service is not available for motorcycles and specialty vehicles such as all-terrain vehicles, dirt bikes, snowmobiles and golf carts.

Fuel delivery service

If you run out of fuel, we'll send an emergency supply, when available, to get you to the nearest service station. We will only deliver fuel (no fuel/oil mixes) and we will charge for fuel at current pump prices. If you require diesel fuel, please let the AAA Customer Advocate know, as some diesel engines may require additional service by a repair facility. Your vehicle may need to be towed if it runs out of fuel.

For members with Plus or Premier, there is no charge for the fuel delivered — helping you get to the nearest gas station.

Vehicle lock-out service

If you lock your keys inside your vehicle, we'll try to open the door for you. If your keys are lost or broken, or if we can't get inside the passenger compartment, we'll reimburse you up to \$50 for a commercial locksmith to make a new key or to gain entrance. Or we can tow you to either a locksmith or to another destination of your choice, subject to the towing provisions in this handbook.

Plus members are eligible for locksmith reimbursement up to \$100, and Premier members up to \$150, to either unlock the vehicle or make it operable. For home lock-out service benefits, see page 36 (Premier members only).

Mechanical first aid

When it is safe, our service providers will do what they can at the scene to get your vehicle on the go if it only needs minor adjustments which don't involve parts or supplies.

Please note that we can't guarantee any repairs carried out in this way. If your vehicle is able to be mobilized, you should visit your nearest AAA Approved Auto Repair shop or other repair facility of your choice and see a qualified technician.

Bicycle service

Bicycle service is just another way AAA has you covered with roadside assistance. Counted toward your allotted service calls, AAA will transport you and your bicycle to any point of safety within the limits of your coverage.

Free one-day car rental

Premier members are also entitled to one complimentary, one-day car rental per membership term, when a qualifying non-collision tow is one of the allowable roadside assistance calls. AAA will reimburse you up to a full-size rental car. Premier car rental reimbursement forms may be found at AAA.com, by phone at 800-222-1134 or by visiting your nearest full-service AAA.

You must take delivery of the rental car within two calendar days of a qualifying non-collision tow, and you are responsible for subsequent days' charges, upgrades, vehicle insurance, mileage, fuel charges, fees and taxes. Cars must be rented from a commercial car rental company in the business of renting cars. You must meet the terms and conditions of the rental car company. Requests for reimbursement must be submitted as soon as reasonably possible.

Plus RV and Premier RV Vehicle Service Limits

Plus RV and Premier RV towing, extrication and tire service is limited to \$500 per eligible service call and \$1,000

per household per membership year. These dollar limits are only applicable to service provided to Plus RV and Premier RV vehicles as described in the chart on page 31. Members will be responsible to pay the service provider directly for all other costs of service above these dollar limits at the time service is provided.

Extrication and winching

If your vehicle goes off the road, we'll send a service vehicle to get you back on track. Your vehicle will be extricated when it can be safely reached from a normally traveled road by a service vehicle with automobile servicing equipment operated by one person. If additional help is needed, you may choose to pay for additional services on-scene. In such case, the service provider may utilize additional persons or equipment, where available, that are needed to free your vehicle.

For Plus and Premier members, we'll send two service vehicles, if necessary, at no additional cost. The second vehicle and driver are available for up to one hour at the scene.

Tire service

If you've had a blowout or a flat tire, we'll check that your spare tire is inflated and serviceable then install it for you when possible and safe. If you don't have a serviceable spare, we'll tow your vehicle (for more details, see "Towing").

Please note that our service doesn't include repairing your tire, or installing or removing snow chains, unless as part of changing a flat tire. Installing a spare tire is a temporary fix only. You should immediately visit your nearest AAA Approved Auto Repair shop or other repair facility of your choice to have it checked by a technician.

For Plus or Premier members, our tire service also covers eligible dual-wheeled vehicles. Please note that in certain regions of the country, you might have to pay for the extra service and be reimbursed.

Towing

If the AAA service provider can't start your vehicle or make it safe to drive, your vehicle will be towed at

no charge to either:

- The service provider's repair shop
- Anywhere within five miles of disablement (Nebraska members get 10 miles of towing.)

For Plus members, we'll tow you without charge up to 100 miles in any direction from where you broke down.

As a member with Premier, you're entitled to one tow (per membership term) of up to 200 miles in any direction from where your vehicle broke down. Any remaining qualified tows may be used for up to 100 miles.

Only one tow per mechanical breakdown can be made at AAA's expense. If you need towing beyond the limit of your membership level, you will be charged for the extra miles at the service provider's prevailing private rate.

Towing considerations

If you need to be towed to a repair shop, we ask that you accompany the driver during the tow and call ahead to make arrangements for the vehicle to be accepted upon arrival. If no one from the facility will be there to receive your vehicle, make sure you are – we can't leave your vehicle at a closed repair shop unless you are there to accept it. Local laws may only allow service providers to carry one passenger. In this situation, we will help you find alternative transportation at your own expense.

Please note that our responsibility ends when we get your vehicle to the agreed destination. You'll need to pay any further expenses yourself, such as repairs or additional towing.

Eligible vehicles

The following tables show which vehicles are covered for roadside services under each type of membership, provided your vehicle can be safely reached from a normally traveled road by a service vehicle with automobile servicing equipment operated by one person.

Vehicles not eligible for service

Prepaid service or reimbursement will not be provided for vehicles which are:

- Unregistered and unlicensed vehicles
- Abandoned, unattended, purchased in an inoperable condition or can be driven safely
- Illegally parked or associated with any illegal activity
- Being towed to or from a salvage yard, charitable organization, car show exhibition, auto auction or being towed from one storage location to another
- Loaded or modified, thus altering the vehicle's original weight, dimensions or ground clearance, creating a safety hazard or potential damage to the vehicle or servicing equipment (battery, fuel-delivery, lock-out and mechanical first aid services excluded)
- Driven off established roads or in areas unsuitable for vehicular traffic, which include, but are not limited to, beaches, open fields, vacant lots, playgrounds, creek beds, golf courses, forests, private roads, flooded roads or driveways, etc.
- Equipped with a snow plow (limited service may be provided, but you must remove the snow plow before any towing, extrication or tire service may be rendered) or require shoveling of snow, etc. in order to render service
- Taxis, limousines, buses (unless converted to a motorhome), semi-tractor trailers (semitrucks)
- Trailers that contain livestock, haul cars, exceed their maximum load capacity, are

unsecured, or contain uncovered debris and create a safety concern

- Motorcycles that require a flat tire change, battery boost or battery replacement service—towing service will still be provided
- Requiring service where appropriate photo identification, in addition to the membership card, is not provided to the service technician
- Vehicles used to support a business or for commercial use
- An impounded vehicle unless it was impounded due to an auto accident. Prior to towing services being provided, AAA Members must make their own arrangements to have the vehicle moved to the entrance of the impound lot so it is accessible by the AAA service provider and any and all fees imposed by the impound lot are the member's responsibility.

Note: If, because of illness or injury, you can't tell us what you'd like us to do with your vehicle, we may tow it and keep it until we hear from you. Storage fees may apply. Personal property inside the vehicle is the sole responsibility of the member. AAA assumes no liability for lost or stolen items.

Requesting reimbursement

In the event AAA is not able to provide you with timely road service, you may choose to contact an alternative service provider directly. However, if you obtain non-AAA roadside assistance without first requesting service from us, we will provide you a reimbursement of your expenses only up to the contract rate we normally pay our AAA service providers to perform similar services. Some roadside assistance benefits vary by region. If you obtain service outside of your local area and are asked to pay for service that is normally covered, we will reimburse you for covered expenses. We will only provide reimbursement if you have a service call entitlement available.

To request reimbursement:

- 1) Contact AAA by phone at 800-222-1134, online at AAA.com or visit your nearest full-service AAA to obtain a reimbursement form.
- 2) Complete the form and mail it to us with the original receipt. Receipt must be fully paid in the name of the member receiving service.

Request must be submitted to AAA promptly after service was received, or within 90 days. (For Wisconsin members the request must be

submitted as soon as reasonably possible.) Please allow up to three (3) weeks for the roadside assistance reimbursement department to review and respond to your request.

Limitations

Understandably, in providing roadside assistance, AAA cannot assume responsibility for the actions of independent service facility personnel. These facilities serve as independent contractors and are not employees or agents of AAA.

Any loss or damages resulting from the service facility personnel's actions are the sole responsibility of the service provider and should be reported immediately to the service facility owner before repairs are made. If a satisfactory resolution with the owner has not been reached within 10 days, the incident can be reported to AAA and one of our representatives will attempt to reconcile the dispute. AAA cannot guarantee that the service provider will have all the parts needed for your vehicle, nor will AAA accept responsibility for repairs, or the availability, delivery or installation of parts.

Extreme service conditions

We always try to be as responsive as possible, but please understand that unavoidable delays can occur during severe weather conditions, an increase in the volume of service requests, heavy traffic, road construction, unusual circumstances or legally enforced service restrictions. In the event of severe weather emergencies, first priority is given to the removal of vehicles blocking roadways. As equipment becomes available, service will be provided to other vehicles.

The safety of our members, employees and independent service technicians is our top priority. On rare occasions services may be temporarily suspended due to weather conditions and other extenuating circumstances. Once it is safe to do so, we will resume services.

Additional help for emergencies

Car travel interruption protection

Even if you take every precaution, there are still times when the unexpected happens and you're faced with additional expenses. Fortunately, we're there to help.

If you're traveling by car and are 100 miles or more away from home and have a breakdown or accident while en route, or if your vehicle is stolen while en route, we'll reimburse you for emergency expenses up to the value of \$600.

Reimbursable expenses include:

- Meals and lodging
- Car rental
- Transportation home or to your destination within 72 hours

Plus members have protection up to \$1,000. Premier members have protection up to \$1,500.

For a complete description including terms, conditions and exclusions, see Appendix 1 on page 37.

Vehicle Return coverage

As a member with Premier, you're entitled to Vehicle Return benefits when you're traveling 100 driving miles or more from your primary residence. You can be reimbursed up to \$500 to help get your car back home if an unexpected illness or injury prevents you from completing your trip.

- To request this service or any Premier RV service, call 800-222-1134 or download the [form](#).

Emergency check cashing

If the unexpected happens and you're short on cash, AAA can help by cashing a personal check of up to \$100 to help with emergencies. Just show your membership card with supporting identification at any full-service AAA.

- Service may not be available at all AAA offices.

Emergency payment acceptance

As a member, your personal check or credit/debit card will be accepted by any independent contract facility for payment of road service for up to \$250. A valid membership card and identification must be presented at the time of payment. The name on the check or credit/debit card must match the member name.

Limited legal fee reimbursement protection

If you believe you've been unjustly charged with a traffic law violation, we can help with the cost of legal fees. You can choose your own lawyer, and if you're found not guilty of the charges, or if they're dismissed, we'll reimburse you for attorney fees for your defense or appeal (see "Reimbursement Schedule").

To download a claim form, visit AAA.com and click on [Contact Us](#). Check the table for increased reimbursement amounts for members with Plus or Premier.

Terms and Conditions

The terms and conditions of your membership including eligibility, dues, and fees are subject to change without notice; however, if there is a change in services or benefits to your membership you will receive notice as noted below.

If you pay your membership renewal within 30 days after expiration of your current membership term, your new membership term will expire one year after the current term expires. If you pay your membership renewal more than 30 days after the current term expires, your new term will begin when payment is received and expire no less than one year from the day payment is received.

An individual may only have one AAA Membership. Please note that even though your membership card may reflect a

"Valid Thru" date that's more than a year away, it won't be active unless you pay your membership dues annually. Your annual AAA Membership renews each year unless you are notified at least 60 days before the expiration date that your membership will not be renewed. AAA will also give you at least 60 days' notice if your membership will be renewed with a change in benefits.

Non-renewal Policy

During your membership term, you are permitted up to your annual allotment of roadside service calls. Refer to the Member Service Call Allotments chart on page 43. In the event that you require more than your annual allotment of Road Service calls in any single Membership year, you may be required to pay a fee for Service and/or tows back to the closest responding facility; tows to other destinations will be at prevailing rates for towing Road Service.

We reserve the right to reduce service, downgrade your membership type, impose surcharges, charge additional fees at renewal, or non-renew any membership for any reason. By way of example, we may decide not to renew your membership if Management determines that renewing could be detrimental to other members or disruptive to the operation of the club, where the expense to the Club from your membership benefits exceeds revenue collected or where the membership has an adverse impact on Management's ability to provide membership services. Your purchase or usage of other AAA products and services may be used as a factor by Management in deciding whether to change or non-renew your membership.

Cancellation Policy

We reserve the right to impose surcharges and/or Road Service limitations, downgrades of a Membership type or cancellation of a Membership at our discretion, without prior notification.

Reasons for cancellation include but are not limited to verbally or physically abusive behavior, material misrepresentation, excessive Road Service usage, or substantial breach of contractual duties or conditions. The safety of our members, employees and service providers is our top priority. If we cancel your membership, we will provide written notice. You are permitted up to your annual allotment of roadside service calls. Refer to the Member Service Call Allotments chart on page 43. We may determine that Road Service usage is excessive. In making such determinations, we consider the cost associated with Road Service calls, call frequency over multiple Membership periods, and other factors. In the event that you require more than your annual allotment of Road Service calls in any single Membership year, you may be required to pay a fee for Service and/or tows back to the closest responding facility; tows to other destinations will be at prevailing rates for towing Road Service.

If you ask to cancel, your membership will expire without renewal at the end of the current term, but no dues will be refunded. All policies are subject to change without notice.
